Name of the Company	ION Trading India Pvt Ltd
Website	<a href="http://www.iontrading.com">www.iontrading.com</a>
Group Company Websites	<a href="http://www.tpt.com">www.tpt.com</a> <a href="http://www.wallstreetsystems.com">www.wallstreetsystems.com</a> <a href="http://www.patsystems.com">www.patsystems.com</a> <a href="http://www.finsoftware.com">www.finsoftware.com</a>
Company Description	<p>We are visionary innovators in automation technology. Automation excites us. We use it to simplify complex processes, streamline businesses and give competitive advantage. Our products help leading organizations do more, better and simpler than before. We bring to life the technology that underpins corporate treasury, and fixed income, currency and commodities markets:</p> <ul style="list-style-type: none"> <li>• Over 30% of the world's largest companies use our technology to manage their cash, risk, or commodities.</li> <li>• Over 100 of the world's leading banks use our electronic trading platform. Our customers are our partners. Our offices span the globe and we continue to grow in strength and size.</li> </ul>
Job Description	<p><b>Our Programme</b></p> <p>We'll provide a stimulating opportunity to experience the financial markets from a variety of perspectives. You'll build the foundations of a long term career at ION on our graduate programme. You'll enjoy multiple rotations between divisions where, as part of a team, you will deliver real results positively impacting our customer's business. You will benefit from the guidance and advice of having an experienced manager and mentor assigned to you and will learn from some of the most talented and knowledgeable people in their fields.</p> <p><b>Who you are</b></p> <p>This intensive and pivotal programme demands dynamic and ambitious people. You're skilled at using in-depth analysis to get to the bottom of complex issues. You can juggle an array of tasks whilst staying focused on priorities. Client relationships are your forte and you are committed to bringing positive change to their businesses. You believe that communication is an art form and are skilled at balancing confident honesty with optimism. You have a keen interest in the worlds of IT and finance, driven by your relentless thirst for knowledge and success.</p> <p><b>How it feels</b></p> <p>You'll feel proud to be at the forefront of industry innovation – once on board you'll have immediate access to our cutting-edge technology solutions. You'll feel motivated and supported – our teams provide continuous support and leadership to new people. You'll feel inspired and understood – we get to know you and support you in being the best you can be."</p>
